

Vocabulary Project

Choose 6 words from the provided vocabulary list. Create a PowerPoint slide for each word.

Other formats, such as on paper, can be used with teacher approval.

Each Slide Must Include;

- Word
- Clear Concise Definition
- Part of speech (noun, verb, adjective, adverb)
- 2 or more example sentences
- 2 or more images to illustrate example sentences

Additional Items (at least one per slide)

- Related Words
- Multiple Definitions (if possible)
- Word Etymology
- Cognates and/or Translations in other languages

Example Slide

Protect

Definition:	To keep safe
Part of Speech:	Verb
Sentence:	We protect endangered animals, so they don't become extinct.
Related Words:	Protection (noun), Protective (adj), Protectively (adv)

The linemen protect the quarterback until he can pass the ball.

The police motto is; "to protect and serve."

We vaccinate babies to protect them from disease.
